You have many contracted rehab companies to choose from.

You also have the ability to run an in-house rehab program.

But why would you select any other option when you can have *interface rehab*?

- **Partnership** – We believe in a true partnership relationship and will be an extension of your needs. We will assimilate our staff into your facility's culture. Think of our staff as your staff.
- **Proactive Culture** – We are geared towards meeting the needs of the patient population and giving you the Wow Factor as opposed to waiting for you to identify issues that need to be resolved.
- **Value-added Services** – Through expertise rehab resources that we will provide our clients, residents, and facility staff.
- **Education Programs** – Provided for your Center in the form of in-services, webinars, hands-on training sessions, side-by-side demonstrations, and issuing of professional CEUs.
- **Outcome-Based** – We apply a patient-centered care approach with a dedication to excellent resident care. We provide you with Clinical and Section GG Outcome Reports through our specialized clinical Rehab software to exceed national averages.
- **Great DORs** – We will provide well-trained DORs as well as a dedicated Regional Mentor for your facility to ensure excellent operations of the Rehab department.
- **Hands-on MDS and PDPM Knowledge** – We help to ensure proper and accurate coding of the MDS as well as development of clinical pathways and Discharge Planning programs which improve your Quality Measures score.
- **Circles of Quality Programs** – Will improve your Five Star Rating and strengthen your Quality Assessment and Performance Improvement (QAPI) program – such as fall prevention. This also prepares your Center to achieve a rehab deficiency-free State Survey.
- **Compliance** – We will bring our Compliance and Quality Improvement (CQI) Programs to your Center as part of our overall services, as well as ensuring all Rehab Regulations are followed!
- **Resident-Centered** – We focus on achieving the patient's highest quality of life, preventing resident decline and hospital readmission.
- **Peace of Mind** – We focus on the details for you and put forth maximal effort towards your success so you can have peace of mind. Although our focus is on substance and less on sizzle, you will still want to show us off!
- **Gratitude** – We believe we are fortunate to have your business and want to keep earning it every day.

Let's talk about your needs and those of your client's today.
